## NEW BEGINNINGS

The beginning of New Year is special for personal wishes and resolutions that we would like to achieve throughout the forthcoming year. And so us, we happily shared our wishes and desires with each other during New Year Lantern Parade, in hope they will become true one day.

## WINTER FUN

Some people don't like winter, but not us! On contrary, we spent our days by checking why the wintertime can be amazing, what we can do and what makes us happy. Of course, we could not omit our annual sledging fun, either. We took anything that slides on the snow - bottom slide, plastic bag or sledge and caught the red in the cheeks. Children's eyes sparkled with joy. You bet!

## WE SPY: What can you do in winter?

**Maggie (KOL Giraffes):** We can slide.

**Emma (HP Llamas):** we can jump and make a snowman.

**Nina (SM Pandas):** You can play snowball fight and also snowflakes go on your tongue!

**Noam (HP Whales):** To build a gigantic snowman and make sandcastles.

**Adam (KOL Koalas):** We can have snowball fight outside!

**David (MD Alpacas):** Wear a jacket.

**Veronika (MD Toucans):** Guťovanie.

**Artur (SM Sharks):** We can play hockey at my grandpa.

**Amálka (HP Flamingos):** We can sledge, ski and build houses from snow.

**Mila (SM Foxes):** I can ski on the hill and not fall down.

**Janík (KOL Kiwis):** We can eat snow for breakfast.

## COLOURS OF THE WORLD

Funiversity loves colours! Some children were learning and revising their names, some explored their meanings and some investigated their properties. What is sure, it all has been so much fun!

## TEACHERS INQUIRY:

What colour you can't imagine your life without?

**Olga (SM):** Blue, green, brown, and yellow they remind me of a nature and world around us.

**Zuzka (KOL):** Without black. It's a great colour for everything: clothes, sofa, car, toys.

**Lucka (MD):** Red's been always my favourite colour and when I have an option to choose, every item of mine needs to be red. 😊

**Jarka (SM):** Aubergine colour is my favourite, 'cos you can combine it with every single colour and it makes me happy to see it.

**Sabi (HP):** I cannot imagine living without yellow because yellow is sun.

**Linda (KOL):** I love black and white. For me it's perfect combination, it's Jing & Jang, it's the basic for everything in the world. Without these colours we wouldn't have other colours.

**Lea (SM):** I can't live without magenta colour! It is also a colour of this year! 😊

**Erika (HP):** Blue, it calms me down. It reminds me of the blue sea, blue sky, deep oceans and gives me a feeling of freshness and coolness.

### LATEST NEWS

Before enrolling to school, our Y1 kids took their **School Readiness Tests** by a psychologist to get checked about which fields they need to work on a little bit more. Children were excited about this new experience where they could show their skills and concentration. Good job. 😊
