CAMBRIDGE KINDERGARTEN

NEWSLETTER SUMMER 2023

WATER FUN

This summer was amazing. Sunny and hot, sometimes, even too much. And what's the best way to cool down? By a cool splash of water! We could enjoy water fun in workshops or everyday garden activities. And we even visited Zlate Piesky lake.

MOUNTAINS SURVIVAL

This summer we also spent a lot of time in nature. We had a yummy BBQ and camping trip to Železná Studienka, where we could chill out in the lovely forest area. What's more, on the Borinka hike to Pajštún castle we tried out our physical strengths and tested our survival skills.

WE SPY: Why do we go to forest?

Sofia (Squirrel SM): To find lovely animals: bears, wolfs, squirrels ...

Matúško (Eagles SM): Walking.

Mila (Foxes SM): To find mushrooms.

Alex (Foxes SM): We can go and plant new trees.

Zoja (Hedgehogs SM): Forest is something where are living the animals.

Leo (Hedgehogs SM): We cannot make fires or animals would run away.

Linda (Giraffes KOL): Because we can eat berries there.

Jakubko (Giraffes KOL): Because there is nice nature

Maggie (Giraffes KOL): We can have a picnic in forest and we can pick the mushrooms in the forest.

ANIMAL WORLD

As usual, also this summer, we explored the world of animal kingdom and greeted in person plenty of animals. We could pet and feed farm animals at Bio Farm Stupava. Over more, in Zoo and Malkia park, we could see the wild animals we would have no chance to meet anywhere else.

Beside our fieldtrips, we were happy to welcome our beloved home friends at the kindergarten pet show. We could pet and cuddle with dogs, bunnies, hamsters but also lizards and turtles and much more. We would like to thank to all the parents for their help and cooperation.

We even made a "pet donation" for dog shelter in Šaľa. Thank you for support.

WE SPY: Why do we have pets?

Emma (Llamas HP): Because we need to be carefull. My favourite pet is a cat, unicorn and a dog.

Marínka (Seahorses HP): I have home a big hedgehog. The name is Apple.

Joshi (Llamas HP): Because they are good, my favourite pet is a doggy, I like to play football with him.

Hugo (Whales HP): Because they are so adorable. I would like to have a cat or a dog, but I have none.

Sophie (Penguins HP): Because we want to play with them and have fun. I have two cats at home, Sophie and Izi.

Danko (Toucans MD): We have them because people can love them.

Darinka (Alpacas MD): Because we love the pets. I love Guinea pigs and I would like to have one.

Mathi (Dragonflies MD): We have doggies because they are nice and cute.

SPORTY SUMMER

And of course, also this summer, we got busy by sporting. We trained tennis and practiced cycling. During the Olympic week we built our team spirit and became stronger and faster.

BYE-BYE SUMMER

Unfortunately, all good things must come to an end. Summer is over, but there is no reason to cry. Our kindergarten prepared a wonderful day for our children, full of fun. The last summer week, we experienced a bye bye summer party, dancing and yummy cakes included. We even said bye bye to all the students going to school. And so we are ready for what the new school year will bring.

TEACHERS INQUIRY: Where have you been on holidays?

Majka (HP): I walked 270km on the Camino from Astorga in Spain to Santiago de Compostela.

Nina (SM): I went to visit my best friend from university, Dimitra, to her hometown Athens!

Mr Ben (KOL): This year, I went to Vietnam. To experience a new culture. And a different and unique way of life.

Lea (SM): I visited Dubrovnik this year with my best friend Stelinka 😊 It was the greatest holiday ever!

Ms. Bibi (MD): I visited the mid-east Israel, and then London, Balaton Lake, Budapest for few weekends and the mountains in Slovakia.

Emily (HP): I've been to Italy and Norway:)

Gabika (KOL): I spent amazing time in High Tatras – a place where you can do everything. I mostly collected mushrooms and enjoyed this place. We are lucky that we have this beautiful place in Slovakia.

Lucka (MD): Went to Paris with my mom for the weekend and visited a very cozy hotel that was built inside an old manor. 😊 I felt like I was living in the past!

GULLIVER'S SUMMER TRAVELS

We believe you had a great summer, too, and enjoyed every single day of your relax. We would like to thank you for joining our summer project "Gulliver's Travels" and sharing your holiday experiences with us.
